Work Experience

Associate Product Manager | Zime Ai (SaaS)

Dec 2025 - Present

- **Identified onboarding friction** through user behavior analysis and **redesigned the Settings** experience, improving user activation and feature adoption.
- **Led the end-to-end design** of the **Calls & Recordings** experience by translating enterprise customer pain points into product workflows, reporting architecture, eligibility logic, success metrics, and engineering requirements.
- **Owned the end-to-end product specification** for the **User Bug Reporting system**, defining UX, database schema, APIs, business rules, and engineering acceptance criteria.
- **Analyzed calendar disconnects** as an adoption bottleneck and launched automated recovery workflows, **increasing calendar reconnections by 33%**.
- **Partnered with Engineering and Customer Success** to prioritize, launch, and measure adoption-focused product improvements, driving a **10% increase in rep adoption within 3 weeks**.

Product Strategy & GTM Intern | Vance (Fintech)

Jan 2022 - April 2022

- **Led 0→1 B2B sales pipeline** by identifying high-conversion segments and informing product-market fit.
- Drove **20% increase** in lead conversion and **15% faster onboarding** via GTM experiments and user funnel analysis.

Founder | BrightBunny (Edtech)

April 2020 - Dec 2021

- **Founded a 0→1 career discovery platform**, validating user needs and building mentorship journeys that helped students experience real-world careers before choosing one.
- Built the product from concept to launch, secured **B2B partnerships**, and enabled **50+ students** across **10+ career domains** through curated mentorship programs.

Business Development Executive | Exampeer (Edtech)

June 2019 - June 2021

- Led market/competitor analysis, built user feedback loops, and aligned sales to user pain points - driving +25% demo-to-signup, +20% task completion, and **+20% lead conversion**.

EDUCATION

B.Tech (Hons.) - Electronics and Communications Engineering

June 2018 - June 2022

University Institute of Technology (Autonomous) - RGPV | Bhopal (M.P.)

Independent Learning & Competitive Preparation

Oct 2022 - May 2025
